NO DEPOSIT BONUS
TERMS AND CONDITIONS**

FREESTYLE OPTIONS NO DEPOSIT BONUS TERMS AND CONDITIONS

1. Participants of the \$50 No Deposit Bonus Promo campaign should open a trading account with Freestyle Options and activate it by uploading verification documents (Proof of identity and Proof of address) on My account – Verification page of Freestyle-options.com website.
2. To enroll in the No Deposit Bonus campaign traders shall make a \$3 US payment for the purpose of their credit card / e-wallet verification. This verification payment serves the purpose of elimination of multiple accounts creation and execution of instant profit withdrawals.
3. No Deposit Bonus account will be activated within 48 business hours (except for Saturdays and Sundays) following account verification.
4. All accounts are in USD currency only. Live trading accounts with deposited funds are not eligible for the No deposit bonus.
5. Profits of up to 200% of the bonus amount given can be achieved through trading if a trading volume of x40 times of the bonus amount is reached ($40 \times \$50 = \2000) within 72 hours from the moment we credit your account with the \$50 bonus and activate it.
6. Upon the expiry of 72-hour period account balance settlement will be made and \$50 Bonus and any remaining profits balance will be removed from the account.
7. Standard withdrawal fees apply. \$3 US account verification payment shall be added to the account balance and can be used in the course of trading.
8. Any improper or abusive trading, not in accordance with Freestyle Options' Terms and Conditions, will result in the bonus being revoked or not awarded and may also result in your account being frozen.
9. The promo offer is available till September 14, 2017. The Company reserves the right to terminate the promotion or amend the Terms by posting the modified Terms on the Company's website (www.Freestyle-options.com).

Trading scenarios:

Scenario 1: Trader made a trading volume of \$2000 within 72 hours and has \$350 on his balance. The amount of \$100 in profits + \$3 account verification payment (\$103 in total) is withdrawable. The initial \$50 bonus + the \$199 profit balance will be set to \$0.

Scenario 2: Trader made a trading volume of \$2000 within 72 hours and has \$75 on his balance. The \$25 is the amount of profits that is withdrawable. The initial \$50 bonus will be deducted from the account balance.

Scenario 3: Trader didn't make a trading volume of \$2000 within 72 hours and has \$550 on his balance. He is not entitled for any profit. \$3 US account verification payment is not withdrawable. It will remain on the account balance for 2 months and if during this time a trader makes a deposit, he can use it for trading. The initial \$50 bonus + the \$499 profit balance will be set to \$0.

Scenario 4: Trader didn't make a trading volume of \$2000 within 72 hours and has \$15 on his balance. He is not entitled for any profit. \$50 bonus will be deducted from the account balance. \$3 US account verification payment is not withdrawable as it was used for trading.
